Your Hiscox Insurance policy summaries

This document contains the summaries for any policy covers you have selected to protect you. These summaries outline the key information about your policy so you can be confident that you have understood what you have bought and what you are covered for. However, you should carefully read your policy in full and ensure that you understand its terms and conditions. If you have any queries, you should contact Hiscox or your insurance advisor.

Your obligations

Remember, your premium and insurance are based on the details you have provided to us. Please make sure this information accurately reflects your circumstances and that you inform us immediately if anything needs to change. Please also tell us of any changes in circumstances that may affect the services provided by us or the cover provided by your policy. This is particularly important before taking out a policy, but it also applies throughout the life of the policy too.

You need to consider:

- if you fail to fairly present the risk to us, including by failing to disclose any information material to the insurance, you could invalidate the policy, claims may not be paid or the amount we pay may be reduced;
- we will only cover you for the activities you have told us about and we have agreed to cover. If you have not told us about any of your activities, it is unlikely you will be covered for any corresponding claim or loss;
- we will not make any payment in respect of anything you knew, or ought to have known, before the start of the period of insurance which would be likely to result in a claim or loss;
- you should read and check all insurance documents to ensure that you are aware of the cover, limits and other terms that apply;
- if you fail to let us know of any changes to your circumstances during the period of insurance or, if when telling us about such changes you fail to present the risk to us fairly, you could invalidate the policy, claims may not be paid or the amount we pay may be reduced;
- please be aware of all terms and conditions of your policy because failure to comply with them could invalidate it or result in us not paying a claim or reducing the amount we pay;
- if you make a fraudulent claim or try to deceive us, we may terminate the policy.

Policy length

The period of insurance is shown on your policy schedule. Your policy schedule will also show if the policy is on a continuing cover basis. If it is on a continuing cover basis, we will renew your policy each year for another 12 months and continue to take payment (including any premium adjustment shown in your renewal invitation) using your existing arrangement, unless you tell us otherwise or if your risk changes. If your policy schedule does not show that the policy is on a continuing cover basis, cover will cease at the end of the period of insurance, unless you renew your policy with us.

We will provide you with a statement of fact each year and provided that the information contained within the statement of fact is true, complete and accurate, you do not need to provide us with any further information. If any of the information in your statement of fact is not true, complete and accurate, you must let us know. If you do not let us know, it may affect the validity of the policy or our ability to pay a claim.

Retroactive dates, geographical and jurisdiction limits

Where any section of your policy schedule includes a retroactive date, we will not make any payment for any claim or loss under that section which arises from any activity performed or any act, incident or occurrence taking place, before the retroactive date.

Where any section of your policy schedule shows the geographical limits which apply to that section of the policy, we will only pay for claims and losses under that section which arise from activities performed or acts, incidents or occurrences taking place within those geographical limits.

Where any section provides cover in respect of your liability to third parties, we will only cover claims first made in a country within the applicable courts stated in that section of your policy schedule.
